## GUIDELINES FOR BCRSP SCHOLARSHIP AND BURSARY FUNDS

BCRSP “Scholarship and Bursary Funds” may be applied for by any full-time student in a two, three, or, four year *Occupational Health and Safety Program* (see Appendix A) at the undergraduate level.

The student should have better than average grades (**80% or better with no failing grades**) entering the final year of their program.

The prospective student shall apply in writing for the award.

- **The fund** will be limited to a maximum of \$3,500.00 per year. The fund will not always be used. If there is no perceived need or demand, awards will not be made.
- **The maximum** award per applicant is \$500.00. Less may be considered. The applicant must apply in writing.
- **To qualify**, the applicant must be a full-time student in a full-time, post-secondary program in *Occupational Health and Safety Studies*.
- **Each program** must be a minimum of two years in duration which may be expressed as a total number of class hours per program or approximately 2,000 ± 10% total class hours per program or equivalent (see Appendix A).

---

## GUIDELINES FOR BCRSP SCHOLARSHIP AND BURSARY FUNDS

- **Each program** should have a majority of the courses proprietary to occupational health, safety and environment topics (see Appendix B).
- **Each program** should have at least 15% of the courses dealing with mathematics and natural sciences (see Appendix C).
- **Each program** should have written communication as an important part of student evaluation.

### How to Apply

Applicants must apply in writing to the BCRSP and include:

- official transcript (sealed)
- course outlines/descriptions
- confirmation of acceptance into final year of program
- reference letter from program chair or faculty advisor
- application deadline: **December 31**

### Mail Application to:

Executive Director  
Board of Canadian Registered Safety Professionals  
6519B Mississauga Road  
Mississauga, ON  
L5N 1A6

---

## APPENDIX A

Programs that would qualify include, but are not limited to:

- Degree Program  
Ryerson University  
Toronto, Ontario
- Diploma Program  
British Columbia Institute of Technology  
Burnaby, British Columbia
- Diploma Program  
Lambton College of Applied Arts and Technology  
Sarnia, Ontario

### Application Review

- application deadline: December 31

---

## APPENDIX B

Occupational health, safety and environment courses:

Risk Management  
Total Loss Control  
Fire Protection/Prevention  
Occupational Health (Chemical Agents)  
Occupational Health (Physical Agents)  
Toxicology/Biohazards  
Hygiene Methods/Monitoring  
Plant Layout  
OH&S Legislation  
Environmental Management/Protection  
Product and Public Safety  
Ergonomics  
Exhaust - Ventilation  
Engineering Economic Analysis  
Workplace/Sectoral Safety  
Engineering Report  
Lifestyle - EAP  
Presentation Skills  
Project Management  
Hazard Evaluation  
Hazard Control  
Industrial Psychology  
Accident Theory  
Epidemiology  
Radiation Biology  
OH&S and WCB Management Systems

---

## APPENDIX C

Mathematics and natural sciences courses:

Mathematics  
Calculus  
Statistics, Applied Statistics, Biostatistics, etc.  
Mechanics  
Statics  
Strength of Materials  
Stress Analysis  
Physics - various  
Chemistry - various  
General Science - various
